

Refounding – A Guide to Implementing

Refounding means returning with a fresh zeal to our core Mission

- **Refounding** calls us to reflect deeply on our founding mission.
- **Refounding** will develop our conference into a community of faith, service and shared growth.
- **Refounding** needs planning and commitment to be successful.

ROLLOUT SUGGESTIONS

for a successful introduction and adoption of Refounding in your conference

- Dedicate a special meeting to introduce the rollout
- Assemble resources for presenting;
 - a. Turning point – A Guide to Refounding
 - b. A video clip of President Gerry Stevens presenting the case for Refounding
- Identify some members who can either lead the project or assist the President to lead
- Make Refounding a regular agenda item for ongoing meetings
- Set some goals and report regularly on progress
- Make Refounding a focus at the next festival day
- How do we need to change to achieve the goal of Refounding?

Consider setting up a subcommittee in your Area Council, to ensure that Refounding is rolled out to all conferences

In the words of Frédéric Ozanam

“Yours must be a work of love, of kindness; you must give your time, your talents, yourselves.”

“Do not be afraid of new beginnings. Be creative. Be inventive.”

For Frédéric Ozanam, the well-known parable of the Good Samaritan goes to the heart of our Christian life. We don't have to look any further. The Society was founded to send forth Good Samaritans into their local communities.
